To potential business referrers

Referral Scheme

Jonathan Mounteney Solicitors is content to pay a commission on fees paid by clients, to first referrers of those clients to this practice.

The commission we offer is 10% for 12 months from first bill, and 5% for the subsequent 12 months.

Commission are accounted quarterly. They are paid to order – either to the referred, or to anyone required to be paid by the referrer. We also have our own charity we support, Rowley Projects (<http://www.rowleyprojects.com/>) to which we are glad to pay any referral commissions referrers prefer not to receive or order elsewhere.

Yours faithfully,

Jonathan Mounteney – Solicitor
